

# NS-150

## NAIL STRIP

The **NS-150 Nail Strip Panel** offers a clean, architectural look with reliable structural performance. Designed as a **low-profile, clip-less system**, it allows for quick and efficient installation without the need for additional fastening components. The **NS-150** is ideal for residential and light commercial projects, especially where a sleek finish and straightforward installation are key.

## FEATURES

- 24 GA steel.
- Colors available in standard, premium, and metallic finishes.
- Manufactured on-site or at the factory.
- Available in smooth and striated finishes.
